Custodian and Coupon Clipper

A service to investors is provided by the Richmond Trust Company, by which bonds, stocks and other securities may be filed here by the owner for safekeeping. Likewise, much like a financial secretary, it will attend to the clipping of coupons from bonds, watch bond calls, accept payments of interest or principal on bonds, mortgages and dividends or other income from stocks and other securities. Such payments will be remitted promptly to the owner or credited to his account, with statements rendered regularly.

The fee for such service is nominal-approximating a bank collection charge, We invite your in-
